**EXTENSION GROUPS**

The Dance Studio provide the opportunity for selected students to be part of our Extension group. This group is by audition or invitation only. Those selected are students that have shown that they would benefit from being extended beyond their normal class work. Performance groups represent the studio at community and city-wide events as well as in dance competitions. We are selective in the competitions we enter as there are some disturbing trends in dance competitions including unsafe dance practices (these can have serious long term adverse effects on developing bodies) and inappropriate content and costuming. TDS strive to make this group a positive experience which aligns with our studio values.

Those invited to join the Extension group must commit to regular attendance at classes and rehearsals and be available for extra practices as called. They must show a commitment to the process and an ability to work as part of a team. Teachers reserve the right to stand down any member who cannot fulfil the above criteria.

**ACRO**

**Acro is a fusion of dance technique and acrobatic elements.**
